How many sessions?

This will be discussed as part of the consultation. Smoking Cessation is one session.

Past Life Regression - Group Sessions/Workshops.

For groups of up to 10 people, a very interesting Past Life Regression experience can be enjoyed. This session will normally cover a day in workshop form, and will include: Discussion, Question & Answer sessions on hypnosis and Past Life Regression, a group hypnosis session plus 2 further group hypnosis sessions with regression. Group sessions can be just as enjoyable and beneficial, and can even be therapeutic, as an individual session. Everything will be explained to you over the course of the day, and you will be encouraged to explore and discuss your experiences in a safe, calm environment. Minimum group size 4 people.

Groups of 4 to 10 people: £50 per person. I will travel anywhere to conduct group sessions/workshops for travel expenses at 35 pence per mile and £35 per hour travel time. If you wish me to travel further than 75 miles, this will incur travel and reasonable accommodation expenses.

Home Visits

If you cannot travel to me for a private session, **I can come to you**, and will travel anywhere to meet with you. The additional cost for this service is travel expenses charged at 35 pence per mile and £35 per hour on top of the normal session fee. For distances over 100 miles, this will include additional accommodation expenses.

Payment methods:

Cash or Credit/Debit card. Cheques no longer accepted. Prices are per person, and inclusive of any handouts and CDs. *There is a 2% surcharge for credit card payments; debit card payments are not affected.*

Sessions are time limited, and time will be deducted if you arrive late. Card details may be required to secure your appointment.

Cancellations:

My time and your time is precious. When you book an appointment I set aside time for you and I don't offer that time to anyone else. I only cancel my appointments in the event of illness, bereavement or other such circumstances. Once booked, **you are required to give at least 24 hours notice of cancellation for daytime appointments and 48 hours notice for evening appointments.** Cancellation must be by phone/voicemail and not by email or SMS text message. As I am not able to refill such appointments, late cancellations will always incur a charge 50% of the session fee and the full fee for missed appointments.

Late Arrival:

If you are running late I appreciate a quick call or a text message to let me know (providing it is safe for you to do so). If you arrive late for your appointment the time will normally be deducted as I am not able to overlap appointments, and the full rate is payable for the session. If you arrive more than 20 minutes late the session will be treated as a failure to attend as there would not be time to do any therapeutic work. In these circumstances I charge 50% of the session fee provided you reschedule the appointment.
